WORK EXPERIENCE

AXA

Financial Analyst – International Markets (Finance Trainee Program)

Madrid, Spain

Nov 2025 – May 2026

- Review financial model assumptions and proposed changes under new IFRS standards, conducting impact analysis in Excel and challenging inputs received from international entities.
- Support monthly close and forecast cycles by reconciling multi-entity financial data and preparing variance and bridge analyses for management reports.
- Produce executive presentations and Power BI dashboards used to monitor performance trends across international markets.

Amazon

Business Analyst Intern

Madrid, Spain

Mar 2025 – Aug 2025

- Automated recurring Excel reports using Power Query, VBA and SQL, reducing data processing time by 85% across 11 marketplaces.
- Built dashboards and consolidation templates to improve product availability and inventory planning, translating analysis into actions for regional operational teams.
- Conducted deep-dive analyses on availability drivers (demand, lead times, vendor constraints) and presented weekly performance updates highlighting root causes and recommending actions to reduce stock-outs.

Belfius

Retail and Private Banking Intern

Bruges, Belgium

Mar 2023 – May 2023

- Developed portfolio analysis tools to assess clients' cash allocations against risk/return targets, improving the speed and consistency of investment proposals.
- Assisted senior private bankers by performing liquidity and due diligence analyses for high-net-worth clients and helped prepare client presentation materials.

LEADERSHIP

VEK Investment Club – University Investment Fund

Portfolio Manager

Ghent, Belgium

Sep 2018 – Jun 2023

- Managed a €70k student-run fund for 100+ student shareholders, overseeing allocation across equities/fixed income/commodities and leading weekly investment discussions.
- Performed fundamental equity analysis and valuations (DCF models and comparable company analysis) to support buy/sell decisions and present investment theses to members.
- Organized guest lectures and networking events with professionals from KBC, Degroof Petercam, Belfius and others.
